Jeff, in this interconnection agreement, BellSouth has the company name wrong. I'll go ahead and add the company code version but the docket title will reflect it as BellSouth filed, and they'll need to give us a correction.

Thanks.
Kay

Subject: 040198-TP - BellSouth/Image Access, Inc. d/b/a NewPhone - Agreement Amendment

Robyn,

The above agreement includes the interconnection, unbundling, resale and collocation elements, but your transmittal letter only states interconnection. (The underlying agreement is 020712-TP.) Please file a revised transmittal letter making the correction to show that each of the elements are included. The statutory deadline for this agreement is June 2, 2004, so I need to get a corrected letter as soon as possible. In addition to the missing elements, the Company d/b/a is shown with a space between the two parts of the name that should not be there. Please reply to this e-mail to let me know when I can expect to receive your corrected letter.

Kay, F Y I, and I'll be styling my memo as:

"Docket No. 040198-TP - Request for approval of interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and Image Access, Inc. d/b/a NewPhone."

Robyn,

File a second corrected letter in this docket showing the complete CLEC name as Image Access Communications, Inc. d/b/a NewPhone, and indicate BST/Image Access Communications will file a follow-up amendment correcting the name throughout the agreement.

Jeff, how about asking the CLEC and BST to file an amendment in the instant docket (can extend the CASR) to clarify the appropriate name in Florida?

I don't know what to do with the above agreement - I called the company and their name is correct at Sec. of State and here. The agreement is a regional agreement and the name as it appears in the agreement is correct for every state except Florida.

It may have been an oversight since she was just correcting the name. The filing is an amendment - does she need to file an additional letter?

Jeff, we got a correction letter from BellSouth on this one and she fixed the company name, but the first filing indicated this was an amendment; this correction letter doesn't mention amendment.
