It is essentially a tariff order rather than a PAA order. It is still subject to protest like a PAA (as noted in the Notice of Further Proceedings at the end of the order), but the language in the ordering paragraphs (which tracks Issue 2 from the rec) allows the company to continue charging the approved rate, subject to refund, in the event a protest is filed.

Cochran, we have this order for issuance. It doesn't indicate it's PAA, but it reads much like a PAA. The rec didn't indicate PAA either. We haven't issued the order yet.

Please advise!

Thanks.
