Robyn, what is the status of replacement pages or withdrawal for this amendment?

Subject: 041065-TP - BellSouth/VarTec Telecom, Inc. et al - Amendment

Robyn,

The above amendment has an error within the amendment pages and the pages will have to be replaced. There was also an error in the transmittal letter (missing fictitious name) but that wasn't enough to require a fix.

However, in the amendment, the fictitious name included for the CLEC, Clear Channel Communications, is incorrect and does not exist. Most likely, your negotiator intended for this to be "Clear Choice Communications".

Since this appears in more than one place within the amendment (including the signature page), the whole amendment will have to be replaced.

The statutory deadline for this amendment is December 9, 2004 and the negotiator should have ample time to get this corrected. If this cannot be done, please notify me at your very earliest convenience so I can file the appropriate CASR revision.

Please let me know if you have questions.
