Subject: Docket type change for Docket No. 050182-TI

ORIGINAL

Docket No. 050182-TI should be changed to 050182-TP as the transfer of customers includes both local and long distance customers. The KMC Telecom III LLC customer base being transferred includes those whose telecommunications services are provided pursuant to three KMC certificates:

TJ228 KMC Telecom III LLC
 TX292 KMC Telecom III LLC
 TA058 KMC Telecom III LLC

The gaining company, TelCove Investment, LLC, will serve the customers pursuant to the following certificates:

TJ206 TelCove Investment, LLC
 TX278 TelCove Investment, LLC

Since each respective company's certificates affected by the transfer bear the same company name and since each company does not have any other certificates under that same name, I do not believe the docket title needs to be changed. However, the docket information needs to be reflected in MCD and CMS under each company code.

Thanks.
