-M-E-M-O-R-A-N-D-U-M- COMMISSION  
CLERK

**DATE:** April 15, 2005  
**TO:** Jeremy L. Susac, Senior Attorney, Office of the General Counsel  
**FROM:** Catherine S. Beard, Regulatory Analyst I, Division of Competitive Markets & Enforcement  
**RE:** Recommendation to Office of General Counsel - Docket No. 050242-TL – Petition for expedited review of NXX-X code denial by Number Pooling Administrator for Orlando exchange (Azalea Park) by BellSouth Telecommunications, Inc.

On March 30, 2005, BellSouth Telecommunications, Inc. submitted a request to NeuStar for one (1) 1,000 consecutive number block to meet a customer's request for 100 TNs in the format of (407) NXX-6XXX, for the Azalea Park (ORLDFLAPDS0) switch, located in the Orlando exchange. Also on March 30, 2005, NeuStar denied BellSouth's application because it did not meet the utilization criteria required for a new block of numbers, based on the FCC's month-to-exhaust (MTE) formula.

On April 6, 2005, BellSouth filed a petition requesting that the Commission overturn NeuStar's decision to deny numbering resources for the Azalea Park (ORLDFLAPDS0) switch. In accordance with Commission Order PSC-02-0352-PAA-TL (Docket No. 020087-TL), which approved an expedited process for NeuStar code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a customer in need of numbering resources;
- 2) The carrier has shown that it is unable to provide services to a potential customer because of NeuStar's denial of numbering resources;
- 3) A customer will not be able to obtain the service from the provider of his/her choice because the carrier will not have the numbers available.

Since the three criteria of Order PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (April 22, 2004), as outlined in the expedited code denial process orders. NeuStar should be directed to provide BellSouth the needed numbering resources to meet its customer's needs in the Azalea Park switch (ORLDFLAPDS0), specifically one (1) 1,000 consecutive number block, in the format of (407) NXX-6XXX. Please allow staff assigned to
