COMMISSION CLERK

Office of Commission Clerk,

Regarding the docket number above, NETECOM has received the acceptance of the proposed offer from state of Florida; the proposal involved the transfer of all NETECOM Florida customers to Telenational as of Aug 1st 2007 and the cease of operations in Florida all together in lieu of paying the fine of \$25,000.

I would like to offer our official final report that as of Aug 1, 2007, NETECOM has,

- Transferred all Florida customers to Telenational Direct service
- Sent official letter informing all customer
- Ceased to operate in the State of Florida
- Stopped all sales to Florida customers

We do not have access to these customers any longer therefore difficult to provide you with any proof; I assume contacting the customer list would provide adequate evidence of this movement.

If there are any questions or comments, please do not hesitate to contact me directly.

Best Regards,

NIMA ALIZADEH
President & CEO
