Docket No. 070301-EI
Review of 2007 Electric Infrastructure Storm Hardening Plan filed pursuant to
Rule 25-6.0342, F.A.C., submitted by Florida Power & Light Company

Dear Ms. Cole:

Verizon Florida LLC (“Verizon”) is providing notice that it will not be filing a post-hearing brief in this case. Verizon intervened in Docket Nos. 070297-EI, 070298-EI and 070301-EI to address the storm-hardening plans filed by Tampa Electric Company (“TECO”), Progress Energy Florida, Inc. (“Progress”) and Florida Power & Light Company (“FP&L”), respectively. In the pre-filed testimony submitted by Verizon, it did not object to the storm-hardening plan filed by Progress. Since then, Verizon has resolved its outstanding issues with TECO and FP&L and has withdrawn its testimony concerning their plans. Accordingly, Verizon has no objection to the Progress, TECO and FP&L storm-hardening plans.

Please do not hesitate to call me if you have any questions about this matter.

Sincerely,

s/ Dulaney L. O’Roark III
