Subject: FW: Withdrawal of Requests for Confidentiality - Fuel and Purchase power cost recovery clause Dockets

Kim, I'm sorry it took me so long to get back to you. I've had a chance to talk to staff, and have confirmed that these are the correct actions for the listed confidential documents. The 423 forms and the E10 schedules should be placed in the docket file, and the interrogatory responses should be sent up here to GCL. Let me know if you have any further questions, and thanks.
Larry

Is this the same that I forwarded to you earlier? Could you handle with Kim directly? Thanks
