Re: Rule 25-6.0143(1)(I), F.A.C. – Storm Damage Self-Insurance Reserve Study
UNDOCKETED

Dear Ms. Cole:

The above-referenced rule was amended in 2007 to require each utility to file a Storm Damage Self-Insurance Reserve Study (Study) with the Commission Clerk by January 15, 2011 and at least once every five years thereafter from the submission date of the previously filed Study. Subsequent to the above-referenced amendment to the rule, Tampa Electric filed a Study with the Commission Clerk as part of its August 11, 2008 Petition for a Permanent Rate Increase and, thus, has met the requirements of Rule 25-6.0143 with respect to the initial Study due on or before January 15, 2011. In accordance with the rule, Tampa Electric will file a new Study on or before August 11, 2013.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
