Thanks Kiwanis for your phone call. As I said, MCD (company code) will remain with the same as originally assigned when the docket was opened with the "d/b/a clubip.com" per your phone call and e-mail. As you stated we never showed the 2nd d/b/a in either MCD or the docket title. Marguerite will re-update the docket title. Thanks for your help. Nonnye

Good Morning,

I apologize for the inconvenience, but I misunderstood the company's intentions. Apparently the company wants to drop its second d/b/a "Ipsmile" which is not listed in the docket title or in MCD. Please do not change the name in MCD. It should remain Netline Communications Corp., d/b/a clubip.com. Also, please add the dba back to the docket title. Again, I apologize for the mix up.

Thanks

Hong, Dorothy sent this to me also. I have called Kiwanis and left a message for her to call me. I have no problem removing the d/b/a, but I need to know if they are planning

on reinstating the original IXC registration, or if they will be a new one. If they are going to use the original one, I will need to make a comment in MCD on the new company code, that it was assigned in error. Once I hear from her I will update MCD and correct the utility field in CMS also. Thanks, N

Hi Marguerite,

The docket title for docket no. 100468-TI needs to be changed. The company has decided not to use the d/b/a clubip.com. Please remove the d/b/a from the company's name in the docket title.

Thanks
