Thank you very much for your help, Jennifer. I don't see a problem with putting them in the docket files per your preference.

I've heard back from Mary Anne and the other supervisors; they didn't have a preference whether these go into the docket filings or correspondence section. I have a personal preference that they go into the docket filings, but if there's any concerns in that regard, please let me know.

I would think they belong in the docket file, but if you usually put notices of change of firm/change of representation/etc. in correspondence, that's fine too.

Good afternoon, Jennifer.

Mr. Friedman's office has filed a "Notice of Change of Firm, E-mail Address, and Fax Number" in all of the dockets listed below. Those should have been e-mailed to clerk@psc.state.fl.us rather than e-filed. However, since they were filed (example of same shown below), please confirm whether you would like these placed in the docket file or if placing them in correspondence is acceptable.
