Florida Public Service Commission,

This communication is to inform you that the consolidation efforts related to the Duke Energy – Progress Energy merger are underway. We understand that you have questions about the impacts to you from these merger integration activities. You will not be impacted until the supply chain and work management systems are consolidated, which begins in January 2014 and is currently scheduled through the end of 2016. Detailed instructions will be provided to you in advance of any required changes. Until then, please follow the same processes that you use today including verifying the invoice remittance address, billing information, company and corporation on all purchase orders and contracts.

If you have questions, please contact your buyer or SuppliersServices@duke-energy.com.

Regards,

Laura Blohm

Manager, Disbursement Services
