Comments:

Stop approving FPL's spending on unnecessary, expensive new reactors at Turkey Point and instead advance less-water intensive, affordable clean energy choices.

Dear Mr. Cowan:

Thank you for contacting the Florida Public Service Commission.

In order to process your protest we need to know if you are a current customer of record with Florida Power & Light.

It would be beneficial if you could provide the following information:

- The address on the account
- The customer's mailing address

You may send this information to me via e-mail at contact@psc.state.fl.us

Sincerely,
Ruth McHargue
Regulatory Program Administrator
Office of Consumer Assistance and Outreach
Florida Public Service Commission

Note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.
