BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and purchased power cost recovery clause with generating performance incentive factor.

DOCKET NO. 170001-EI

DATED: May 10, 2017

FLORIDA PUBLIC UTILITIES COMPANY'S NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

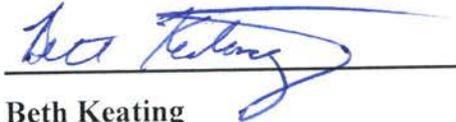

Pursuant to Rule 25-22.006(3), Florida Administrative Code, Florida Public Utilities Company ("FPUC") hereby files this Notice of Intent to Request Confidential Classification ("Notice of Intent") for certain information contained in the documents provided in response to Commission Staff's First Request for Production of Documents (Nos. 1-3) in the instant docket. The documents contain proprietary confidential information regarding FPUC's request for proposals for a new power purchase agreement, the related negotiations, and ultimate contractual terms, which FPUC, as well as the entities involved, consider to be highly confidential and which has not otherwise been publicly disclosed.

Again, FPUC treats the information in these documents as confidential, and the information therein has not otherwise been publicly disclosed. Disclosure of this information publicly would harm FPUC's ability to negotiate with power providers and would be contrary to express contractual terms. A copy of the referenced documents are included in the attached envelope marked "Confidential." FPUC asks these documents be afforded confidential treatment pending the filing of a Request for Confidential Classification and a Commission ruling

thereupon, in accordance with Rule 25- 22.006(3)(a) and (d), Florida Administrative Code.

RESPECTFULLY SUBMITTED this 10th day of May, 2017,

By:
