In re: Fuel and purchased power cost recovery
clause with generating performance incentive
factor.

DOCKET NO. 20170001-EI

DATED: SEPTEMBER 13, 2017

MOTION FOR EXTENSION OF TIME

The staff of the Florida Public Service Commission hereby moves the Prehearing Officer, Commissioner Ronald A. Brisé, for an extension of time for the filing of staff's testimony in the above-stated matter from Thursday, September 14, 2017, until Monday, September 18, 2017. In support of its motion, the staff states as follows:

1. Order No. PSC-17-0053-PCO-EI, issued on February 20, 2017, established the filing date for Intervenor and Commission staff testimony in this docket as September 14, 2017.

2. Field audit staff (Intesar Terkawi, Donna Brown, George Simmons and Simon Ojada) provided their hedging audit reports to the Tallahassee office for final formatting Thursday, September 7, 2017. However, due to Hurricane Irma state offices were closed from Friday, September 8 through Tuesday, September 12, 2017, preventing Commission staff from being able to finalize the four hedging audit reports and prepare the testimony of each auditor in support of their respective audit reports. Based on these circumstances, Commission staff requests that it be given until Monday, September 18, 2017 to file this testimony.

3. Hurricane Irma has also caused extensive damage in the state and as a result many portions of the state continue to be without electricity at this time. That being the case, Commission staff also thinks it appropriate to extend the time for all Intervenor testimony in this docket until Monday, September 18, 2017.

4. All parties to this docket have been contacted regarding this motion and none have any objection.

Wherefore, Commission staff requests that the time to file Commission staff and Intervenor testimony in this docket be extended from September 14, 2017 until September 18, 2017.

Respectfully submitted, this 13th day of September, 2017:
