**STAFF'S THIRD DATA REQUEST (No. 9)**  
*via email*

**Re: Docket No. 20170183-EI - Application for limited proceeding to approve 2017 second revised and restated settlement agreement, including certain rate adjustments, by Duke Energy Florida, LLC.**

Dear Mr. Bernier:

By this letter, Commission staff (staff) requests that Duke Energy Florida, LLC (DEF) provide responses to the following data requests.

9. Please refer to paragraph 19, page 38. Please provide an example of the calculation of the specific adjustment to DEF's common equity balance and rate base working capital balance based on the methodology employed by Standard and Poor's Rating Service in its determination of imputed off balance sheet obligations related to future capacity payments to qualifying facilities and other entities under long-term purchase power agreements. For simplicity, please use the Citrus County Combined Cycle Units GBRA in the example.

Please file all responses electronically no later than Thursday, September 22, 2017, through the Commission's website at [www.floridapsc.com](http://www.floridapsc.com), by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6230 if you have any questions.

Sincerely,
