Thank you for the confirmation, Emily. Per your instruction below, we will move DN 08777-2016 from Docket 20110254 to new Docket 20170270; and we will also use the contact information in Docket 20110254 for the related contacts in new Docket 20170270.

Thank you for your help too!

Dorothy

Hi Dorothy,

I believe DN 08777-2016 should be moved to the new docket 20170270. Since the show cause and transfer are going to be addressed separately, I do not think DN 08777-2016 needs to remain in Docket 20110254-WS.

I do not have any changes to the contact information for the listed individuals, so if you can use the addresses as reflected in Docket 20110254 for the new docket, that would be wonderful.

Please let me know if there is anything else I can do, and thank you so much for your help!

Subject: New Docket 20170270; DN 10890-2017

Hi Emily,

I notice on your Request to Establish Docket for the above referenced new docket that you have attached a copy of DN 08777-2016, which was initially filed in Docket 20110254-WS. Should DN 08777-2016 stay in Docket 20110254, or should it be moved to new docket 20170270?

You also added parties and interested persons, but did not include addresses. The only addresses we have are the ones we pull from MCD using company codes, or those provided to us by filers, staff, or GCL. Please provide the contact information (names and addresses) for:

David Meadows
Denna Meixner
Office of Attorney General
Office of Public Counsel (if anyone other than J.R. Kelly)
Florida Department of Business and Professional Regulation
Polk County, Board of County Commissioners

Alternatively, please confirm whether the contact information for those individuals (as reflected in Docket 20110254) should be used in the new docket.

Thank you for your help!
