Re: Petition by Tampa Electric Company for a limited proceeding to approve Second SoBRA effective January 1, 2019; Docket No. 20180133-EI

Dear Mr. Teitzman:

This will follow up our letter of February 14, 2019 regarding the status of the SoBRA projects of Tampa Electric Company's second tranche as contemplated in paragraph 6 of the company's Commission approved 2017 Amended and Restated Stipulation and Settlement Agreement. Please be advised that the company's Peace Creek Solar project (55.4 MW_{ac}) is fully operational as of March 1, 2019. Tampa Electric will follow up with a similar notification when the final second tranche project, Lake Hancock (49.5 MW_{ac}) is placed in service.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
