Hi Jeff,

Per your request, we will add the contact information that you gleaned from the agreement to the parties list for Windstream Communications, Inc. We will leave Windstream Communications, Inc. in the utilities section without a company code (even though that name is only related to a deregulated IXC in MCD), and we will not add any additional company names in the utilities section.

Dorothy

This is what's in the agreement:

Foe the company codes and names, leave them as they're currently shown. No (other) CLEC's or companies need to be added.

Jeff, Windstream Communications, Inc. is related to a deregulated IXC. There is no other Windstream Communications, Inc. listed in MCD for a CLEC.

If this is related to "CLECs" we need to put the CLEC company codes in the utilities section of CMS.

There is also no party information shown for Windstream Communications, Inc.

Please provide the necessary information, or we will need something to put in the docket to indicated why there is no relevant information.

Good afternoon,

CLK has received the memo closing Docket 20210025, but there was never a confirmation as to what utilities and parties needed to be included in the docket.

Please advise how we are to proceed...

Thank you,

Dorothy
