Good day:

Regarding the 305/786 area code relief. I agree with The North American Numbering Plan Administration that a all service overlay should be implemented for the 305/786 area code relief. There is already a overlay area code in the region, which is 786 as well 10 digit dialing for local calls. I hope my comment is taking into consideration for the final decision. Thank you for giving me the opportunity to comment on the 305/786 area code relief. Have a pleasant day.

Kind regards,

R. Sanchez

Good Morning, I am reaching out to request that DN 00370-2022 be moved from the 20200190 Docket to the 20210190 Docket. The original correspondence has the wrong docket number in the subject line. This document belongs in the 2021 Docket as it pertains to the 305/786 area code relay.

Thank you,
