Does FPL have a "Caretaker Status" for homes used seasonally ? You might get a lower rate

We have HydroElectric Power here on Norris Lake and much lower TVA rates

The Florida Public Disservice Commission did Veterans such as myself a Terrible Disservice by mistakenly granting FPL the ability to Involuntarily, and also Monetarily penalize us all for no good cause. Shame on You FPDC ! <<<<<

Dear Mr. Walsh:

I am in receipt of your November 11th E-mail to the Florida Public Service Commission (FPSC) inquiring about a rate for caretaker status or seasonal customers.

Florida Power & Light Company does not offer separate rate classifications for caretaker status or seasonal customers. Your account is billed as Residential Service.

Please contact me at 1-800-342-3552 if you have questions or concerns.
