**Re: Docket No. 20240111-WU - Application for grandfather certificate to operate water utility in Citrus County, by Citrus Waterworks, Inc.**

Dear Commission Clerk,

Citrus Waterworks, Inc. hereby states that it inadvertently requested a pass through of regulatory assessment fees in its original Grandfather Application. The current rates for Citrus Waterworks already include RAFs as established by the Citrus County Water Authority in its most recent SARC.

Therefore, Citrus Waterworks withdraws its original request for pass through of RAFs.
