**Re: Application of IQ Fiber (FL), LLC for Authority to Provide  
 Telecommunications Services Within the State of Florida**

Dear Mr. Teitzman:

Attached for filing with the Commission are the original and one copy of the public version of the above-referenced Application of IQ Fiber (FL), LLC ("Applicant" or "IQ Fiber"). Pursuant to Sections 364.183(1) and 364.183(3), Florida Statutes, Applicant respectfully requests confidential treatment of the financial information provided as **Confidential Exhibit B** to the Application. The attached sealed envelope contains two copies of **Confidential Exhibit B**, one of which has been highlighted to show the specific information that Applicant considers to be proprietary confidential business information pursuant to Fla. Admin. Code Section 25-22.006(5). A check in the amount of \$500 is enclosed for the filing fee.

Please acknowledge receipt by date-stamping the enclosed extra copy of this letter and returning it in the envelope provided. Should you have any questions concerning this filing, please do not hesitate to contact the undersigned at (202) 739-3000.

Respectfully submitted,

/s/ Joshua Bobeck

(b) granted or denied a certificate in the State of Florida (this includes active and canceled certificates)? ☒ Granted ☐ Denied ☐ Neither

If granted provide explanation and list the certificate holder and certificate number.

**Applicant holds a Certificate of Franchise Authority to provide cable and/or video service (CV21-0040) granted by the Florida Secretary of State. Except for its cable franchise, Applicant has not been granted or denied any other certificate in the State of Florida.**

If denied provide explanation.

(c) an officer, director, and partner in any other Florida certificated telecommunications company? ☐ Yes ☒ No

If yes, give name of company and relationship. If no longer associated with company, give reason why not.

9. Florida Statute 364.335(1)(a) requires a company seeking a certificate of authority to demonstrate its managerial, technical, and financial ability to provide telecommunications service.

**PUBLIC VERSION - CONFIDENTIAL INFORMATION REDACTED**

**Note:** *It is the applicant's burden to demonstrate that it possesses adequate managerial ability, technical ability, and financial ability. Additional supporting information may be supplied at the discretion of the applicant. For the purposes of this application, financial statements MUST contain the balance sheet, income statement, and statement of retained earnings.*

- (a) **Managerial ability:** An applicant must provide resumes of employees/officers of the company that would indicate sufficient managerial experiences of each. Please explain if a resume represents an individual that is not employed with the company and provide proof that the individual authorizes the use of the resume.

**See Exhibit A.**

- (b) **Technical ability:** An applicant must provide resumes of employees/officers of the company that would indicate sufficient technical experiences or indicate what company has been contracted to conduct technical maintenance. Please explain if a resume represents an individual that is not employed with the company and provide proof that the individual authorizes the use of the resume.

**See Exhibit A.**

- (c) **Financial ability:** An applicant must provide financial statements demonstrating financial ability by submitting a balance sheet, income statement, and retained earnings statement. An applicant that has audited financial statements for the most recent three years must provide those financial statements. If a full three years' historical data is not available, the application must include both historical financial data and pro forma data to supplement. An applicant of a newly established company must provide three years' pro forma data. If the applicant does not have audited financial statements, it must be so stated and signed by either the applicant's chief executive officer or chief financial officer affirming that the financial statements are true and correct.

**Applicant's financial reporting is consolidated with its indirect parent company, IQ Fiber Holdings, LLC. Provided as Confidential Exhibit B are the audited financial statements of IQ Fiber Holdings, LLC for 2022, 2023, and 2024 to demonstrate Applicant's qualifications. The financial information provided in Confidential Exhibit B demonstrates that Applicant, through its parent, possesses the requisite financial resources to provide telecommunications services in the State of Florida.**

**Because IQ Fiber Holdings, LLC and its subsidiaries are privately held, Applicant's financial statements are not publicly available. Therefore, Applicant requests that the financial statements provided as Confidential Exhibit B be treated as confidential and proprietary, pursuant to Rule 25-22.006(5), and not be made part of the public record.**

**PUBLIC VERSION - CONFIDENTIAL INFORMATION REDACTED**

- 10.** Where will you officially designate as your place of publicly publishing your schedule a/k/a tariffs or price lists)? (Tariffs or price lists **MUST** be publicly published to comply with Florida Statute 364.04).

## EXHIBIT A

### Management Biographies

**Ted Schremp, Founder and Chief Executive Officer:** Ted is a seasoned telecom executive with CEO and CMO experience in public and private equity-backed companies, including First Media (a Hybrid Fiber-Coaxial/Fiber-to-the-Home provider that built to 25,000 homes per month in Indonesia) and Charter. Ted founded IQ Fiber on the premise that people deserve more choice in broadband service. By breaking monopolies with a fiber attacker in Northeast Florida, Ted built a platform that can operate throughout the Southeast and beyond. Ted has a Bachelor of Arts in Economics and Business from the University of Pittsburgh and a Master of Business Administration from Penn State University.

**Kim Smithers, Co-Founder and Chief Marketing Officer:** As a Southeast U.S. market veteran, Kim is known for both creating new and transforming underperforming brands into success stories across national and regional private equity-backed companies. In addition, she leads the market selection process for IQ Fiber. As the head of sales and marketing for IQ Fiber, Kim has created a high-performance brand that is both recognized and respected throughout the market and the industry. Kim has a Bachelor of Science in Marketing and Multinational Business from Florida State University and a Master of Business Administration from the University of Tampa.

**Steb Chandor, Chief Financial Officer:** Steb has over 25 years' experience leading growth-oriented, private equity-sponsored companies. A telecom veteran, he has worked as CFO for both private and publicly traded companies including Metro One Telecommunications, iPCS Inc., nTelos Wireless and most recently, Education Networks of America. Heavily involved with all aspects of operations, strategy, and corporate development, he joined IQ Fiber in mid-2023. Steb has a Bachelor of Science in Chemical Engineering from Tufts University and a Master of Business Administration from the University of Southern California.

**Josh Cramer, Chief Technical Officer:** Prior to joining IQ Fiber Josh co-led the creation of a municipal owned broadband in Colorado to building custom software engineering services and lead information technology for Planet Home and Workgroups DaVinci. As CTO, Josh established the IQ Fiber network with a resilient and future-proof network architecture, launched the IQ Fiber 24x7 Network Operations Center, and applied lean principles to the network operations team to enable a high level of efficiency and collaboration. Josh has a Bachelor of Science in Engineering Operations.

**Richard Fallon, VP Outside Plant and Engineering:** Rich has over 30 years of experience leading outside plant, engineering, design, and technical operations across the U.S., including stints at Summit Broadband, Charter Communications, and Comcast. Rich's invaluable field expertise has knocked down supply chain, permitting and labor barriers that put almost fifty thousand of IQ Fiber homes into service over the past eighteen months. Rich has several certifications, including NCTI System Technician Certification, NCTI Advanced Technician Certification, Siecor Fiber Optics Training Certificate, Hewlett Packard Cable TV Measurements (FCC Proofs), NCTI System Technician Certification, and Phillips Broadband Plant

Maintenance Practices Certification. Rich has also participated in numerous leadership and project management seminars and has been a member of the Society of Cable Telecommunications Engineers since 1993.

**Patti Lewis, VP of Customer Operations:** With over 25 years in leadership across telecom companies including Charter, Lumeris, and Agilis Systems, Patti has established herself as an expert in program management and operations. Patti leads all aspects of IQ Fiber's customer operations with an intensive focus on the customer and streamlined processes. Patti has a Bachelor of Science in Business Administration from the University of Missouri-Saint Louis and a Master of Finance from Saint Louis University.

**Jackie Toepfer, VP Controller:** Jackie is a licensed Certified Public Accountant and has over 15 years of accounting experience. Jackie moved to IQ Fiber in July 2024 after spending the last 6 years as a finance leader in the telecommunications industry, including at Education Networks of America and the Zayo Group, a global provider of fiber and network connectivity solutions, where her most recent position was Director of Accounting. Jackie has a Bachelor of Arts and Master of Science, each in Accounting, from Michigan State University.

**Dee Anna Sobczak, Senior VP & General Manager, Chesapeake Region:** Dee Anna is the Former CEO and Co-founder of ThinkBig Networks, a fiber to the home provider serving both residential and commercial subscribers and rural in suburban communities. Prior to ThinkBig Networks Dee Anna was the President and Co-founder of CSS Antenna, Inc., a telecom manufacturer serving the Wireless Carriers for 15 years. Dee Anna attended Towson University and studied Accounting.
