Dear Commissioners,
My name is Janet Dabal. I own Unit F7 in Hideaway Bay Beach Club Condos on Little Gasparilla Island. It has been brought to my attention that Environmental Utilities has applied for certificate to install sewers on our island. EU made a change to the location of waste water transmission line from Don Pedro State Park to Hideaway Bay property. We have a DEP permitted septic plant and do not need or want a sewer line brought to our property. Please, please deny the application.
Regards,
Janet Dabal
