Dear Commissioners –

I wanted to take some time out of my date to truly thank you for your ruling on the Private Sewer System proposal for the barrier islands (in our case specifically Palm Island).

We have been an owner on the island for over 10 years and I believe that all of you actually took time to listen to the facts, our objections, and the island owner needs in this case.

It means a lot to us as a family and to the entire extended island family (Knight, Don Pedro and Little Gasparilla Islands).

Thank you again.

Lynn and Beau Grisez  
Palm (Knight) Island residents
