Hello~

I recently noticed additional "rate hikes" on our TECO statement and it's quite disruptive to us since we are a "fixed income" family living off of social security.
Jan ~ April 2025, we have a Teco bill with an increase Of 34%. Some of that increase was due to our increase in KW use but the rest was your hike approval.

Who can we contact to "push back" on these increases?

Our "Cost of Living" (COLA) increase from Social Security was only 3% for 2025.
