When an extension is granted, a charge shall be added to the amount due (Line 11):

0.75% of the fee to be remitted for an extension of 15 days or less, or 1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues by checking the "Estimated Return" space in the top left-hand corner on the reverse side. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period.

- 5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.

Dear Certificate Holder:

The Division of Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code (F.A.C), for the year 2024, which was due January 30, 2025. The RAF return form was mailed to you on December 15, 2024, and to date, Commission records reflect that payment has not been received.

Utilities are charged with knowledge of our rules and statutes. According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364.

If payment is not postmarked within 15 calendar days of receipt of this notice, as evidenced by the certified mail receipt, Rule 25-4.0161, F.A.C., automatically imposes a penalty of \$500, \$1,000, or \$2,000, in addition to the interest and penalty listed in the preceding paragraph. The penalty is based on the number of prior dockets against a company for violation of the RAF rule. For one prior docket, it automatically will be assessed a \$1,000 penalty and for two, a \$2,000 penalty. For a third docket, staff will submit a recommendation to the Commission seeking cancellation of the company's certificate and removal from the register.

If you wish to request another form, please contact Lauren Smith at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. As specified above, pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine for failure to comply. Therefore, it is important that you address this matter now. If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact Lauren Smith at (850) 413-6906 or via Internet e-mail at LaSmith@psc.state.fl.us.

Sincerely,

Keith C. Hetrick General Counsel
