BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of a tariff)
modification to reflect TTS Pool Manager)
Assignment Automation by Florida Public)
Utilities Company. _____

Docket No.:
Filed: August 14, 2025

PETITION FOR APPROVAL OF TARIFF MODIFICATION TO REFLECT TTS
POOL MANAGER BY FLORIDA PUBLIC UTILITIES COMPANY

Florida Public Utilities Company ("FPUC" or "Company"), by and through its undersigned counsel, hereby files this Petition seeking approval by the Florida Public Service Commission ("Commission") of tariff changes to further reflect the implementation of FPUC's new billing system, which, among other things, will now automate the assignment of TTS Pool Managers.

In support of this request, the Company hereby states:

1. FPUC is a natural gas distribution company subject to the Commission's jurisdiction under Chapter 366, Florida Statutes. Its principal business address is:

Florida Public Utilities Company
208 Wildlight Ave.
Yulee, FL 32097

2. The name and mailing address of the persons authorized to receive notices are:

Beth Keating, Esq. Gunster, Yoakley & Stewart, P.A. 215 South Monroe St., Suite 601 Tallahassee, FL 32301 (850) 521-1706	Joanah Baugh Director Regulatory Affairs 1635 Meathe Drive, West Palm Beach, FL 33411 jbaugh@chpk.com
--	---

3. The Company is unaware of any material facts in dispute at this time, but the proceeding may involve disputed issues of material fact. The Company's request set forth herein does not involve reversal or modification of a Commission decision or proposed agency action. This is

a Petition representing an initial request to the Commission, which is the affected agency located at 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399.

TARIFF MODIFICATION

4. By this Petition, the Company seeks approval of certain tariff changes to reflect that, with the implementation of its new billing system, the assignment of TTS pool managers will be an automated process.
5. FPUC's new billing system has the ability to automate the assignment of TTS pool managers. Historically, as reflected in the current tariff, if a premises had previously been assigned a particular TTS pool manager, for instance Pool Manager A, then any customer that subsequently moved into that premises would automatically be assigned to TTS Pool Manager A. If there was no prior pool manager assignment history for a premises, that location would be manually assigned to either TTS pool manager A or B, which assignment depended solely on whether it was then an even or odd day of the week. This scenario primarily arises in the former CFG territory, which did not provide sales service.
6. With the Company's new billing system, Pool Manager assignments can be done automatically without manual intervention, regardless of any prior history. The new automated process will automatically assign new customers to TTS Pool Managers based upon whether the customer at that location signs up for service on an odd or an even day of the week. This will improve the Company's ability to bill customers efficiently and accurately. It will also further ensure that initial Pool Manager assignments are made on a fair and unbiased basis.
7. Attached as Attachment A is the revised tariff sheet, in clean and tracked changes, reflecting the addition of the proposed Pool Manager assignment language.

WHEREFORE, Florida Public Utilities Company respectfully requests that the Commission approve its proposed tariff modifications to reflect the automation of TTS Pool Manager assignments.

RESPECTFULLY SUBMITTED this 14th day of August 2025.
