Public Service Commission: This e mail is from Vince Gonzalez. I am a homeowner in Broward County, FL. I pay FPL for electricity. I'm urging you to DO NOT approve their increase in rates.

Just as FYI, I have more "short outages" at my home now (years 2000-2025) then I did when I grew up in North Dade County. They run commercials about their services-as if we/users had a choice of electric services—they have a monopoly. FPL says this is paid for by the shareholders?? Really, another issue that is suspect—why are shareholders paying for commercials when they have a monopoly on services?

Please do not approve the rate hike. Thanks Vince Gonzalez
