In re: Petition by Florida Power & Light
Company for Base Rate Increase

Docket No. 20250011-EI

Date: October 3, 2025

**FLORIDA POWER & LIGHT COMPANY’S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF CERTAIN INFORMATION PROVIDED IN
EXHIBIT SRB-13 TO THE SETTLEMENT REBUTTAL
TESTIMONY OF FPL WITNESS SCOTT R. BORES**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (“FPL”) hereby requests confidential classification of certain information provided in Exhibit SRB-13 to the Settlement Rebuttal Testimony of FPL witness Scott R. Bores filed in this proceeding (referred to as the “Confidential Information”). In support of its request, FPL states as follows:

1. On October 3, 2025, FPL filed the prefiled settlement rebuttal testimony and exhibits of witness Scott R. Bores. Consistent with Rule 25-22.006, Florida Administrative Code, this Request is being filed contemporaneously with the filing to request confidential classification of certain information contained in Exhibit SRB-13.

2. The following exhibits are attached to and made a part of this Request:

- a. Exhibit A consists of a copy of the confidential document on which all information that FPL asserts is confidential has been highlighted.
- b. Exhibit B is a copy of the confidential document on which all the confidential information has been redacted.
- c. Exhibit C is a table that identifies the information for which confidential treatment is being sought and references the specific statutory basis for the

claim of confidentiality and identifies the declarant who support the requested classification.

- d. Exhibit D consists of the declaration of Scott R. Bores in support of this Request.

3. FPL submits that the Confidential Information is intended to be and has been treated and maintained by FPL as confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Florida Statutes, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declaration in Exhibit D, the Confidential Information includes proprietary confidential business information regarding competitive business interests of FPL, the disclosure of which would harm the competitive business of FPL. Specifically, the document contains competitive business information regarding FPL financial forecasts. The release of this information could impair our competitive interests to the detriment of FPL and its customers, and it would violate Securities and Exchange Commission rules regarding the disclosure of material non-public information. This information is protected by Section 366.093(3)(e), Florida Statutes.

5. Upon a finding by the Commission that the Confidential Information is proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. See Section 366.093(4), Florida Statutes.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 3rd day of October 2025,

By: s/ Maria Jose Moncada

2. I have reviewed the documents referenced and incorporated in FPL's Request for Confidential Classification, specifically Exhibit SRB-13 to my settlement rebuttal testimony.
