### Case Background

Since March 31, 1981, pursuant to the guidelines established by Section 367.081(4)(a), Florida Statutes (F.S.), and Rule 25-30.420, Florida Administrative Code (F.A.C.), the Commission has established a price increase or decrease index for major categories of operating costs on or before March 31 of each year. This process allows water and wastewater utilities to adjust rates based on current specific expenses without applying for a rate case. Since March 31, 1981, the Commission has received and processed approximately 4,136 index and pass through applications. Staff calculated the proposed 2026 price index by using the Gross Domestic Product Implicit Price Deflator Index (GDPDEF) for the fiscal year ended June 30, 2025.

The Commission has jurisdiction over this matter pursuant to Section 367.081, F.S.
