Submitted To The

STATE OF FLORIDA

COMMISSION OF ACCOUNTING # FINANCE

PUBLIC SERVICE COMMISSION

FOR THE

YEAR ENDED DECEMBER 31, 2019

Form PSC/AFD 006-W (Rev. 12/99)

GENERAL INSTRUCTIONS

- 1. Prepare this report in conformity with the 1996 National Association of Regulatory Utility Commissioners (NARUC) Uniform System of Accounts for Water and Wastewater Utilities as adopted by Rule 25-30.115 (1), Florida Administrative Code.
- 2. Interpret all accounting words and phrases in accordance with the Uniform System of Accounts (USOA), Commission Rules and the definitions on the next page.
- 3. Complete each question fully and accurately, even if it has been answered in a previous annual report. Enter the word "None" where it truly and completely states the fact.
- 4. For any question, section, or page which is not applicable to the respondent, enter the words "Not Applicable." Do not omit any pages.
- 5. Where dates are called for, the month and day should be stated as well as the year.
- 6. All schedules requiring dollar entries should be rounded to the nearest dollar.
- 7. Complete this report by means which result in a permanent record. You may use permanent ink or a typewriter. Do not use a pencil.
- 8. If there is not enough room on any schedule, an additional page or pages may be added provided the format of the added schedule matches the format of the schedule in the report. Additional pages should reference the appropriate schedules, state the name of the utility, and state the year of the report.
- 9. If it is necessary or desirable to insert additional statements for the purpose of further explanation of schedules, such statements should be made at the bottom of the page or on an additional page. Any additional pages should state the name of the utility and the year of the report, and reference the appropriate schedule.
- 10. The utility shall file the original and two copies of the report with the Commission at the address below, and keep a copy for itself. Pursuant to Rule 25-30.110 (3), Florida Administrative Code, the utility must submit the report by March 31 for the preceding year ending December 31.

Florida Public Service Commission Division of Economic Regulation 2540 Shumard Oak Boulevard Tallahassee, Florida 32399-0850

11. Pursuant to Rule 25-30.110 (7) (a), Florida Administrative Code, any utility that fails to file its annual report or extension on or before March 31, or within the time specified by any extension approved in writing by the Division of Economic Regulation, shall be subject to a penalty. The penalty shall be based on the number of calendar days elapsed from March 31, or from an approved extended filing date, until the date of filing. The date of filing shall be included in the days elapsed.

GENERAL WATER SYSTEM INFORMATION

Fur	nish information below for each system. A separate page should be supplied where necessary.					
1.	. Present ERC's * the system can efficiently serve					
2.	Maximum number of ERCs * which can be served.					
3.	Present system connection capacity (in ERCs *) using existing lines.					
4.	Future connection capacity (in ERCs *) upon service area buildout.					
5.	Estimated annual increase in ERCs *.					
6.	Is the utility required to have fire flow capacity?					
7.	Attach a description of the fire fighting facilities.					
8.	Describe any plans and estimated completion dates for any enlargements or improvements of this system.					
0	When did the company leff file and the company left file and the company of the second					
9.	When did the company last file a capacity analysis report with the DEP?					
10.	If the present system does not meet the requirements of DEP rules, submit the following:					
	a. Attach a description of the plant upgrade necessary to meet the DEP rules.					
	b. Have these plans been approved by DEP?					
	c. When will construction begin?					
	d. Attach plans for funding the required upgrading.					
	e. Is this system under any Consent Order with DEP?					
11.	Department of Environmental Protection ID #					
12.	Water Management District Consumptive Use Permit #					
	a. Is the system in compliance with the requirements of the CUP?					
	b. If not, what are the utility's plans to gain compliance?					
	 * An ERC is determined based on one of the following methods: (a) If actual flow data are available from the preceding 12 months:

UTILITY NAME:	Bluefield Utilities, LLC	YEAR OF REPORT
-		DECEMBER 31, JOI9
SYSTEM NAME.		

GENERAL WASTEWATER SYSTEM INFORMATION

Fu	rnish information below for each system. A separate page should be supplied where necessary.
1.	Present number of ERCs* now being served.
2.	Maximum number of ERCs* which can be served.
3.	Present system connection capacity (in ERCs*) using existing lines.
4	Future connection capacity (in ERCs*) upon service area buildout.
5	Estimated annual increase in ERCs*.
6	. Describe any plans and estimated completion dates for any enlargements or improvements of this system
7	. If the utility uses reuse as a means of effluent disposal, provide a list of the reuse end users and the amount of
	reuse provided to each, if known.
8	If the utility does not engage in reuse, has a reuse feasibility study been completed?
	If so, when?
9	. Has the utility been required by the DEP or water management district to implement reuse?
	If so, what are the utility's plans to comply with this requirement?
1	0. When did the company last file a capacity analysis report with the DEP?
1	 If the present system does not meet the requirements of DEP rules, submit the following:
	a. Attach a description of the plant upgrade necessary to meet the DEP rules. b. Have these plans been approved by DEP? c. When will construction begin?
	d. Attach plans for funding the required upgrading. e. Is this system under any Consent Order with DEP?
1	2. Department of Environmental Protection ID #
•	An ERC is determined based on one of the following methods: (a) If actual flow data are available from the preceding 12 months: Divide the total annual single family residence (SFR) gallons sold by the average number of SFR customers for the same period and divide the result by 365 days.
	(b) If no historical flow data are available use: ERC = (Total SFR gallons sold (omit 000)/365 days/280 gallons per day).

CERTIFICATION OF ANNUAL REPORT

I HEREBY CERTIFY, to the best of my knowledge and belief:

YES	NO	1.	The utility is in substantial compliance with the Uniform System of Accounts prescribed by the Florida Public Service Commission in Rule 25-30.115 (1), Florida Administrative Code.
YES	NO	2.	The utility is in substantial compliance with all applicable rules and orders of the Florida Public Service Commission.
YES	NO	3.	There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial statement of the utility.
YES	NO	4.	The annual report fairly represents the financial condition and results of operations of the respondent for the period presented and other information and statements presented in the report as to the business affairs of the respondent are true, correct, and complete for the period for which it represents.
Items C	ertified		
1.	2.	3.	4. Ronald L Edwards * (signature of Chief Executive Officer of the utility)
			Date:
1.	2.	3.	4. (signature of Chief Financial Officer of the utility)
			Data

* Each of the four items must be certified YES or NO. Each item need not be certified by both officers. The items being certified by the officer should be indicated in the appropriate area to the left of the signature.

Notice:

Section 837.06, Florida Statutes, provides that any person who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his duty shall be guilty of a misdemeanor of the second degree.

Reconciliation of Revenue to Regulatory Assessment Fee Revenue

Water Operations Class C
